

My Second Act

Song Lyrics

Take a seat here we go, giddy up
Let me tell you my story
People said go ahead give it up
But man they don't know me.

I've got dreams and I've got plans,
yeah I want more
It ain't time to call it quits,
I'm better than I've ever been before

Chorus

I ain't past my prime, I ain't outta time
I'm just gettin' started
I'm hittin' the gas, I'm haulin' ass
Not sittin' 'round broken hearted
I ain't acting my age, I own this stage
No time for holdin' back
Yeah, I'm just startin' my second act

Unemployable because of my age
That's what they told me
Didn't know who they were talkin' to
I didn't buy the lies they sold me
Gonna saddle up my pony

Chorus

Oh Lord, at the end of the day
I've got so much left to give
More wisdom than I've ever had
and so much life to live

Chorus
